

## REMARKS

Claims 21-22, 24-26, and 28-29 stand rejected under 35 U.S.C. § 103(a) as being unpatentable over Applicants Admitted Prior Art (AAPA) in view of Galyas (WO 00/42789). The Examiner's reply in the *Response to Arguments* section of the Final Office Action of 6/29/06 and the Examiner's comments on page 2 of the Advisory Actions of 10/18/06 and 11/1/06 are appreciated. However, the applicants continue to disagree with the present rejections and request reconsideration.

In order to place the present application in better form for appeal by materially reducing and/or simplifying the issues for appeal, the applicants wish to cancel, without prejudice or disclaimer, claims 26, 28 and 29. Entry of these amendments is respectfully requested.

With respect to the remaining claims 21, 22, 24 and 25 the applicants reassert the arguments presented in their response filed on October 24, 2006 and request reconsideration. The Examiner is invited to contact the undersigned, if such communication would advance the prosecution of the present application. Lastly, please charge any additional fees (including extension of time fees) or credit overpayment to Deposit Account No. **502117 -- Motorola, Inc.**

Respectfully submitted,  
E. Yopez, III et al.
